

Help us un-bottle your friends' world....

...refer your family and friends and not only will they receive the benefits of clean water, you will be rewarded as well...

When you are ready with the names and phone numbers of the people who agree to help you earn your gift, you can participate in one of two ways:

- a. Fill out this form, and give it to the representative who provided you with the form, or fax the form to 905.629.4638.
- Or
- b. Call us at 1-888-712-4400 and ask for Magda in the Referrals Department.

In order to qualify, your referrals will need to live in a house and need to be the homeowners, and the homeowners will have to either have a water test, or both a water test and installation through Lifetime Water Systems Inc. Names will need to be provided to Lifetime Water Systems within 14 days from the date you received this form. Providing the Terms and Conditions (see below) are met, the rewards will be awarded as follows:

\$200 Grocery Coupon*	for each five (5) completed water tests or for the first installation (whichever comes first)
\$250 Grocery Coupon*	for the second installation
\$300 Grocery Coupon*	for each additional installation

Your earning potential is endless.

You will be notified via letter or email every time one of your referrals either has a completed water test or installation.

Terms & Conditions:

Lifetime Water Systems Inc. will contact all names you provide within 14 business days of receipt of names. Contact names need to be homeowners. All homeowners MUST be present for the water test. Condominiums or Apartment dwellings do not qualify. When calling these homeowners, Lifetime Water Systems Inc. will use your name as the referrer. All payments will be made to the client thirty (30) days after the referrals installation date. Cancelled installations are not considered completed installations.

This program is only offered through Lifetime Water Systems Inc. Any and all incentives earned by the customer will only be paid out when the following conditions are met. All water tests must be completed by a Lifetime Water Systems Inc. representative. All system purchases must be made through Lifetime Water Systems Inc. A "system" is considered a whole-house RainSoft Water Treatment system consisting of 2 or more tanks, and a kitchen sink drinking system. There is no limit to the number of times a customer can add names to the referral program. However, each name has to be at a unique address not provided to Lifetime Water Systems Inc. before.

*Grocery Coupon can be from FreshCo, Wal-Mart, Loblaw Company, or the grocery store of your choice.
